

Dear Tom,

Olas sent you this invitation because you are on our permission list—Please add us to your "Safe Senders" list so you will continue to receive invitations, schedules, and announcements from Olas. We take your permission seriously. If e-learning isn't relevant to you, please **forward this message to relevant colleagues**, and unsubscribe below from the list.

Why are leading organisations such as Fáilte Ireland, Kerry Group, Uniphar, Institute of Public Administration, AIB, Houses of Oireachtas, and Glanbia use **rapid e-learning** to train employees and users?

Does this approach to training **suit your organisation?** Or is it just a technology searching for a need?

Meet with the expert, **Colette Gallagher** of Olas, who will share with you some carefully selected examples of how we helped our customers achieve the top-3 benefits of rapid e-learning. Why not set 30 minutes aside and engage with Colette and Ruairi Boland online for this webinar:

**Tuesday, 1 June 2010: Time: 09:30-10:00hrs (GMT)**

**Benefit 1:  
Squeezing Piggy**

**Lower training costs?**

Where have Irish companies succeeded in reducing costs, without affecting the learning outcomes?

*Includes a case study with a 60 second demo.*

**Benefit 2:  
Smiling Heads**

**Better engaged users?**

You want to engender a sense of participation with a process or system. In what circumstances will rapid e-learning help?

*Includes a case study with a 60 second demo.*

**Benefit 3:  
Peace of Mind**

**Certification/Oversight?**

You want to certify users and give managers better oversight of compliance? How can rapid e-learning certify users of a process or system, and where are the pitfalls?
